Certification No: IC: 22874-RFPB60M433

Robert Bosch Security Solutions Pte Ltd.
11 Bishan Street 21
Singapore 573943

Attention: Mr./Mrs. Boon Chuan, Tan

Dear Mr./Mrs. Boon Chuan Tan,

I have reviewed the related exhibits submitted for the certification of your product, and I am pleased to advise that your product meets our procedural and specification requirements for certification. The product is certified as described on the attached certificate. Innovation, Science and Economic Development Canada (ISED) has been notified accordingly.

The ISED certification number and the hardware version identification number (HVIN) shall be permanently indicated on the exterior of the product or displayed electronically according to e-labelling requirements. The certification number shall be preceded by "IC:".

The product marketing name (PMN) must be displayed electronically (e-labelling), or indicated on the exterior of the product or product packaging or product literature, which shall be available with the product or online.

The certified product shall not be distributed, leased, or offered for sale in Canada prior to its listing on the [ISED Radio Equipment List \(REL\)](#).

Sincerely,

William Graff, Certifier
TUV Rheinland of North America Inc.

Certification of equipment means only that the equipment has met the requirements of the above-noted specification. Licence applications, where applicable to use certified equipment, are acted on accordingly by the ISED issuing office and will depend on the existing radio environment, service and location of operation. This certificate is issued on condition that the holder complies and will continue to comply with the requirements and procedures issued by ISED. The equipment for which this certificate is issued shall not be manufactured, imported, distributed, leased, offered for sale or sold unless the equipment complies with the applicable technical specifications and procedures issued by ISED.

La certification du matériel signifie seulement que le matériel a satisfait aux exigences de la norme indiquée ci-dessus. Les demandes de licences nécessaires pour l'utilisation du matériel certifié sont traitées en conséquence par le bureau de délivrance d'ISDE et dépendent des conditions radio ambiantes, du service et de l'emplacement d'exploitation. Le présent certificat est délivré à la condition que le titulaire satisfasse et continue de satisfaire aux exigences et aux procédures d'ISDE. Le matériel à l'égard duquel le présent certificat est délivré ne doit pas être fabriqué, importé, distribué, loué, mis en vente ou vendu à moins d'être conforme aux procédures et aux spécifications techniques applicables publiées par ISDE.

I hereby attest that the subject equipment was tested and found in compliance with the above noted specification.

J'atteste par la présente que le matériel a fait l'objet d'essais et a été jugé conforme à la spécification ci-dessus.

William Graff, Certifier
