DS9370 Panoramic TriTech Detector (70 ft diameter)
This product has been listed in the Radio Equipment List (an Industry Canada publication listing radio equipment that has been certified for use in Canada).

Copy the following Certification Number (1249A-12073). Place your cursor on the Certification Number below and click the left mouse button to go to the Industry Canada Equipment List Search Screen. Paste the registration number you copied into the Search Screen's Certification Number field, set Sort By to Certification Number, and click the [Search] button. When the Result Screen appears, click on the model number to view the actual listing information.
