

DCNM-LPH-S1Y Hybrid add on for 1 part. subscr.

DICENTIS

The DCNM-LPH-S1Y is a license that extends the number of participants that can join from remote by 1.

This subscription is renewed by automatic yearly invoicing. This license can only be added to a license of the same subscription method.

Functions

DICENTIS Hybrid add-on for one participant for 1 year. The number of Premium or Ultimate participant licenses defines the number of participants that can join the meeting and one of those participants is allowed to join remotely. This Hybrid add-on license extends the number of participants that can join from remote by 1. The number of Hybrid add-on licenses plus the one included in the set of participant licenses defines the number of participants that can join from remote.

Participants

The participants:

- Can join meetings from remote
- Can receive the meeting invitation via e-mail
- Can join the meeting via the URL in the invitation e-mail
- Can enter their username and password to confirm their attendance
- Can have their preferred user interface language automatically selected upon login
- Can issue requests to speak, if they have the request to speak rights
- Can participate in voting rounds, if they have voting rights

- ▶ Hybrid add-on license for 1 participant for 1 year
- ▶ Access to the same professional meeting features as if present in the physical meeting room
- ▶ Intuitive and browser-based user interface
- ▶ Ensured security and compliance

- Can bypass the queue, if they have VIP rights
- Can issue a priority call, e.g. the chairperson, if they have priority rights
- Can share their screen with all the participants, remotely and locally in the meeting room¹
- Can share the video of their camera
- Can check who is present in the meeting room locally and who is participating remotely
- Can see the video sharing of the one that is speaking

¹ Screen sharing is not supported by browsers when using iOS or Android tablets.

Parts included

Quantity	Component
1	E-mail with license activation information.

Technical specifications

This license is an addition to a system with a Professional subscription license.

This license is automatically extended 1 year after its activation. It can also be combined with licenses like the DCNM-LPH10-S1Y.

Recommend list of supported browsers (latest versions):

- Google Chrome
- Microsoft Edge
- Apple Safari
